**"QUALITY PEOPLE IN QUALITY PERFORMANCE"**

Dear parents of 8<sup>th</sup> grade band students:

You are cordially invited to attend the Ridgewood High School Band Program's annual Program Information Night, which will be held on **Wednesday, January 13 at 7:30PM** via Zoom meeting. This meeting is designed to introduce middle school parents to the many curricular and co-curricular options available for student band members at Ridgewood High School.

At this time in a child's education career, students and parents begin considering options for elective study at the high school level. A few students even consider which high school to attend. It is our hope that your child will continue his or her music study at Ridgewood High School, and will take advantage of our nationally recognized programs.

Students who participate in the RHS Band Program are consistently recognized as leaders in all aspects of student life. Our musicians rank among the highest achieving students academically, they are involved in a wide array of volunteer and service organizations, and they participate in many sports and activities outside of the music department.

We encourage you to join us to learn more about our great programs, and to see how your child can benefit from participating in our renowned ensembles and classes.

Best wishes,

Jeffrey Haas  
Band Director

John Luckenbill  
Band Director
