## Discussion

- Citrus Sale
  - Citrus Grower has had difficulties because of hurricane but have not yet committed that they cannot provide product
  - Alternates are PJs and Indian River
  - Laura has current pricing from Indian River and last year's pricing from PJs
  - Indian River's comparable cost is \$22 – which requires us to bump our prices
  - PJ's has more comparable product and last year's cost is comparable
  - Discussed using PJ's unless pricing is much more than expected.
  - Laura will find pricing and commit to PJ's if \$22 or less.
- Price for trip
  - Discussed pricing and funding portion of the trip.
